**If this is the first time you are joining us for worship, here is what to expect and some answers to common questions.**

### **Where do you meet?**

At 10:30 a.m. we gather for worship in the main sanctuary, just inside the front entrance.

### **How should I dress?**

We have a friendly and casual atmosphere, but dress the way you feel most comfortable. People dress in jeans to business casual or a suit and tie. But don't worry about what to wear.

### **Do I need to bring anything?**

No, but feel free to bring a Bible to follow along as Pastor Nelson preaches.

### **Will I have to stand up and introduce myself?**

Newcomers and visitors do not introduce themselves during the Sunday service; however, you will have a chance to meet and shake hands with the people around you.

### **What is the service like?**

Our service is informal, with worship songs and hymns before the sermon. There is a time of prayer and announcements. The entire service usually lasts about an hour and a half.

### **Where do I park?**

Ample parking is on our lot in front of the church just off of Mennonite and Gulfhaven Roads.

### **Where should I go once inside the building?**

Feel free to mingle around once inside. There'll be greeters to answer any questions and welcome you.

### **Where do the children go?**

There is a nursery for newborn through Pre-K during the Worship Service. For children (age 5 through Grade 4) there is a Children's Church or an activity packet provided during the Worship Service.

### **Is there a class to learn more about Gulfhaven?**

Yes, there is! Our pastor teaches a class called "What's Gulfhaven All About?" on a regular basis. This is a great way for people who are interested to hear more about Gulfhaven. There is no obligation to join the church should you be interested in the class; however, it is the way to membership at Gulfhaven.
