

RightFit' Ministry...

God wants us to know about the gifts He's given to believers. I Corinthians 12:1

Spiritual gifts are _____ given _____, given to a believer when they are saved that enable them to function in the Body with ease, efficiency and satisfaction."

Let's continue discovering all the possibilities

Romans 12 - _____ Spiritual Gifts

I Corinthians 12:8-10; 28 - _____ Spiritual Gifts

Ephesians 4:11 - _____ Spiritual Gifts

Let's consider the following questions and statements regarding Spiritual Gifts

- How _____ are there?
- Do they all _____ today or have some of them _____?
- A Spirit-filled believer is _____ of all. One or some will function more regular.
- Gifts are different from _____ or _____.
- The gifts are _____.
- All are needed; none can _____ or do without the others.
- The purpose of gifts is to _____ the body.
- Be careful not to do "_____".
- The gifts are _____.
- There is not one of the gifts that is _____ over the other.

As you get started in spiritual gifts-based ministry, the following resolve is important:

"I will use spiritual gifts in ministry to bring glory to God."

"My motive for spiritual gifts-based ministry is to edify and encourage others."

"I will focus on the use of my gifts to promote unity among God's people."

"I will remember that the gifts are not about bringing attention to myself."

"I will recognize and welcome the difference of other's ministry gifts."
